Financial Support Application Form – Pre 16 2016 – 2017

When enrolling on a course at UTC Cambridge, consideration should be given to the costs involved such as course fees, travel costs, meals, equipment, books, trips, uniform and childcare. To ensure that finance is not a barrier to learning, funding is available to support learners from a low income household. To be eligible for Financial Support, you will need to demonstrate that you are from a family of low household income, a looked after child or parents/guardian in receipt of child pension from Ministry of Defence. UTC Cambridge is committed to providing support where it is available and we would actively encourage learners to apply for possible support as soon as they can.

UTC Cambridge administers these funds at its discretion and in line with its policy and procedure. **There is no entitlement to a Bursary.** Awards are only ever a contribution to course related compulsory costs and will not necessarily cover all your additional financial needs. Each application will be assessed and if funds are available, an award will be allocated subject to meeting the College's eligibility criteria. If you feel you have a specific need outside of these criteria please attach a letter explaining your circumstances (*you may be required to provide additional documentation to support your application*). There are several funds available to help different groups of learners and the rules for each are different. Therefore, please be aware that each award is individual to your circumstances and may be different to others. As funds are limited, it may be necessary to close a bursary at any point during the academic year.
