

Planned use of Pupil Premium 2015/16

What is Pupil Premium?

Pupil Premium is funding given to schools to help to support disadvantaged students and to help to close the gap in attainment between these students and their peers. It is allocated to schools for every student who has been registered for free school meals at any point in the last six years as of the January Census, for Looked After Children and children of those in the armed services. Monies are received from the Government in addition to the main school funding grant. This is a ring fenced grant, which can only be used to support the progress and development of less well-off or disadvantaged students.

UTC Cambridge strives to ensure that finance is not a barrier to learning of all committed and eligible students. We recognise that students attend UTC Cambridge in order to obtain the best possible education in preparation for a successful career in the Science Industry. Therefore, it is vital that we provide full support for them to make swift progress in literacy, numeracy and other related skills and knowledge so that they can make the most of the opportunities afforded to them at UTCC to make the best possible progress. It is the decision of each individual school on how the money is spent and there is no requirement for the Pupil Premium to be spent on individual students, simply because they fall into this category.

In academic year 2015/16 UTC Cambridge will receive £11,651 pupil premium

Number of pupils and pupil premium grant (PPG) 2015/16	
Number of Pupils on Roll	288
Total number of Pupils eligible for PPG	12
Amount of PPG received per pupil	£970
